# YOUR CEREMONY

*“Give to this magical moment all the intimacy it deserves”*

The Abbey has stood the test of time, and its warm atmosphere and bucolic gardens are perfect for hosting secular or religious ceremonies, or simply exchanging vows.

There are several dream locations to choose from. Outside in our gardens, or inside in our Grande Galerie, with its extraordinary character, available for your exclusive use.

Set-up fees are to be expected and include: provision and installation of chairs and necessary furniture (table, lectern, etc.). A speaker and microphone can also be provided.

Recommendations for celebrants are available upon request.

**It is not possible to organise the ceremony alone, without a cocktail reception and/or dinner.**

# YOUR COCKTAIL

*“Share this unique moment with your closest family and friends in  
“one of the most beautiful bay in the world” (GEO Magazine)”*

Our terraces overlooking the water are ideal for hosting your cocktail party. From these spaces, your guests will admire the beauty of the site, the ever-changing colours of the lake and the mountains in the background.

In case of uncertain weather, several alternatives are available: indoor/outdoor or in our Grande Galerie, a sumptuous venue available for your exclusive use.

To liven up the occasion, our chef offers dishes worthy of this unique day: savoury miniatures, both hot and cold, as well as culinary workshops. So many suggestions that will tantalise your taste buds and those of your guests!

**Maximum capacity:** 200 people

**Corkage fee for all receptions of 50 adults or more:** You may bring a beverage of your choice—either champagne, white wine, or red wine—for a service charge. We also offer champagne from our menu at the Abbaye de Talloires purchase price (considered a service charge). These two offers cannot be combined.

# YOUR DINNER

*“A delicious time where you will appreciate our Chef’s cooking of fresh dishes”*

Your dinner will take place in our elegant marquee measuring between 120m<sup>2</sup> and 180m<sup>2</sup> (subject to hire) opening onto the gardens. Our chef takes pride in offering you delicious, delicate dishes tailored to your tastes and prepared using fresh produce.

For children up to and including 12 years of age, we offer a simple, delicious meal. Depending on the number and age of the children, we recommend having one or more babysitters present. Naturally, we can take care of this for you.

**Maximum capacity of our marquee: 180 people – For more guests, an additional extension must be hired.**

# TESTING MENU

*“A decisive moment to meet our chefs and choose your wedding dinner”*

After making your final booking, you will be invited to sample the dishes you have selected from one of our menus.

During this tasting, you will meet the Abbey team, namely:

- \* The Head Sommelier, who will guide you through the wines that best complement the selected dishes,
- \* The Head Chef, to discuss the chosen dishes and adapt them to your tastes if necessary.

**Testing lunch:** offered to future newlyweds for all wedding receptions. An additional charge applies for accompanying guests.

# YOUR DANCING PARTY

*“A joyful night with all your family and friends”*

After dinner, it's time to party in the Ermengarde room, adjacent to the marquee. Your dance party can continue until 2:00 a.m. with municipal authorisation, which we will request on your behalf.

A wide selection of spirits is available and will be charged by the bottle. Please do not hesitate to ask your contact person for advice if you would like other drinks.

To make your search easier, the Abbey will suggest DJs and/or bands. Of course, these are only recommendations and you are free to choose your own service providers.

From 2 a.m. onwards, you also have the option of continuing your evening in our vaulted bar (up to 70 people), with its cosy and intimate atmosphere. Drinks can be arranged in advance.

*“After a party, enjoy a calm night”*

Each of our 37 rooms offers unique and tasteful décor, combining authenticity and modernity.

# DURING YOUR STAY

## Decoration

Decorating is a very personal matter. However, we can recommend reputable service providers if you wish.

Our tablecloths and chair covers are ivory-coloured to give you as much freedom as possible to decorate in the colours of your choice. Please let us know your decoration choices to avoid any disappointment.

You will be asked to avoid candlesticks, sparklers, and confetti. It is necessary to provide containers for the candles used to decorate your tables to prevent any damage.

To make things easier for you, we can take care of printing the seating plans, menus, easels, and table names.

## Candybar

Add a touch of indulgence with our sophisticated candy bar. It will appeal to young and old alike with its selection of carefully presented sweets.

## Photobooth

Add some fun to your wedding with our photo booth. The ideal way to capture memories with your guests.

## Spa

Because it is essential to relax before your wedding, our spa located on the 3rd floor is freely accessible (jacuzzi & sauna). Please do not hesitate to contact us to book treatments and massages.
